

Drew Crockett

1/25/26

Module 3

The screenshot shows the W3C Validator interface at <https://validator.w3.org/>. The page displays the HTML code for a landing page, which includes meta tags for description, author, and viewport, and a navigation menu with links to assignment pages. A green status bar at the bottom indicates "Document checking completed. No errors or warnings to show." The validator also notes that it used the HTML parser and took 2 milliseconds to execute.

```
<!DOCTYPE html>
<html lang="en">
<head>
    <meta charset="UTF-8">
    <meta name="description" content="CSD 340 Landing Page">
